

REOPENING OUR DEAR CLUB

Abayomi Orenuga
Chairman, Ikoyi Club 1938

Dear Ikoyi Club Member,
Good day and I hope this message meets you well. The General Committee (GC) met and discussed, among other matters, the state of our readiness to reopen the Club in line with the recent announcement made by the State Government and the requirements to meet the protocols outlined by the Presidential Task Force on COVID-19 and NCDC.

You will recall that the Lagos State Safety Commission (LSSC) had in June 2020 visited the Club and issued the Provisional Safety Compliance Clearance to enable us commence recreational activities.

Considering all relevant circumstances and in order to ensure a smooth and safe access to our esteemed members on reopening, the GC came to the decision that the Club be reopened with effect from 7am on Monday, August 17, 2020.

Details on the protocols to be observed while on the Club premises will be announced shortly.

On behalf of the GC, I wish to thank you for your patience and understanding while the shut-down of our dear Club lasted. Please continue to keep safe while we look forward to receiving you back to the Club.

REOPENING PROTOCOL

IN LINE WITH
THE LSSC GUIDELINES

Dear Esteemed Members,

In line with the Lagos State Governor's recent directive that social clubs can reopen from the 14th of August, 2020, the General Committee (with the guidance of the medical subcommittee and the LSSC) has decided on the following measures to guide our reopening activities during this Covid-19 pandemic.

The reopening process will be gradual and broken into phases.

PHASE 1 4 weeks

All sections will be open with structures to ensure the health and safety of people within the premises are in place. Only members who have booked will be granted access to the facility for a fixed duration, as specified by the sections. Bars, kitchens and restaurants remain shut. No visitors and guests will be allowed into the Club.
